OUR MARKET

Global market to reach 58.4 billion U.S. dollars in 2026 (Statista)

To put into perspective in 2021 it is estimated to be 27.4 billion U.S. dollars (Statista)

OUR CUSTOMERS

We train all those customers who want to fly drones, like flying for hobby, also you may decide to take professional work orders. Let's say to map the area, or to take great photos and videos in wedding celebrations.

We also help enterprise customers and governmental agencies to have their drone operations running safe, efficient and according to the latest legislative directives. Some clients to mention: Pfizer, RTE, Irish Coast Guard, Inland Fisheries Ireland and others.
